

Group Dental & Vision Insurance

Do you want to offer valuable and affordable benefits to your employees? Are you looking for a coverage plan that offers eligibility with no waiting period?

Helping Members
to be
Wildly Successful

Corporate Central offers flexible Group Dental & Vision Insurance solutions allowing credit unions to remain competitive with their benefit plans to employees.

Credit Union Benefits

- ↳ Flexible plans allow your credit union to offer both Employer-sponsored and Voluntary options giving you and your members an array of choices
- ↳ Pricing that is unique to our members giving you affordable options for you and your employees
- ↳ Benefits available to part-time employees enabling you to offer the plans to any employee working 20 or more hours per week
- ↳ Plans are backed by the largest networks in the nation providing your employees advantages such as fee ceilings, convenient claims processing and treatment guarantees

Member Testimonials

“Changing insurance companies is often a hassle and raises concerns from staff. Switching over to Delta Dental was a breeze thanks to Corporate. Our staff really likes the provider selection, coverage’s and billing disclosures with Delta Dental. Glad we made the switch!”

“This solution provides a cost effective option for both the credit union and the employees. The staff is very responsive, we are thankful to have this as a benefit for our employees as the workforce becomes more and more competitive.”
